All Shoprite Gift Cards are NOT Created Equal...

Shoprite (ICS) vs. Shoprite... What's the difference?

Shoprite (ICS):

- These cards are carried in our inventory box and are available for immediate fulfillment. They are available to you every Tuesday and Friday, and after weekend masses.
- These cards carry a **5%** rebate.
- These cards are available in \$25, \$50 & \$100 denominations.
- You must be signed into your scrip account at shopwithscrip.com in order to place this item in your cart. These cards are only available to ICS families.
- **The only way to find these cards** is to type "Shoprite" into the browser on the shopwithscrip.com page. If you click on the Shoprite icon in the "Shop" section of shopwithscrip.com, you will not see the Shoprite (ICS) options.

Shoprite – non (ICS):

- These cards are special order cards and are only available for fulfillment on Fridays, if you place your order and submit payment by 8am on Tuesdays.
- These cards carry a **4%** rebate.
- These cards are only available in \$25 & \$100 denominations
- These are the cards you will receive if you click on the Shoprite icon found in the shopwithscrip.com "Shop" section.

Please check to make sure your Shoprite order carries the (ICS) logo before you submit your order so that you receive your gift cards when you need them!

Please do not hesitate to contact Christine Benson at scrip@icsclinton.org.
