Please Read Carefully

This is a program follows the strict safety standard set by NASP (National Archery School Program). Any participant who chooses not to follow these guild lines will be removed from the program. The rules and safety procedures will be carefully and thoroughly taught. The basic skills and history of archery will be the focus of this program. Students will learn to line up their shots, shot with correct form, and scoring as part of this course. **This program is limited to 10 students per session.** If more than 10 are interested, students will be chosen in order of when they registered for the program.

Thank you for your interest,
