Just say “yes” to promoting ICS! Both a current ICS family and a new-to-our-school with a full-time student family could benefit from having 10% off their total net tuition rates! Woo-hoo! See ‘Tuition Reduction Options’ on the next page for further details. Thank you.

School Uniform Matters – Dear ICS Parents,

As mentioned near the end of this past school year, a dedicated group of parents, teachers, and the principal met to discuss modernizing the school uniform. A survey was sent out to parents with a great response rate, and after a few hours of discussion and debate, the following decisions were made. Thank you for all of the feedback!

There will be no changes to the dress uniform. A hoodie is being phased in for the gym crewneck sweatshirt. There will be a transition period of (2) years where students can wear their previously purchased crewneck sweatshirts. We strongly encourage you to purchase the hoodie, as the crew neck sweatshirts are no longer offered on the Flynn and O’Hara website as an option.

Grades kindergarten through four girls will now have a warm weather skort available in the blackwatch pattern as an alternative to the jumper. This will only be worn during the autumn and spring months where the students can have the option of shorts.

A hunter green polo shirt will now be offered as an option for the boys and girls daily uniform, since nearly 80% of respondents reacted very positively to this change. The white polo will still be an option for the daily uniform. Thank you to everyone who took the time to meet and/or give feedback.

Prayer for Immaculate Conception School:

Dear Lord, bless our Catholic school. Help us to continue to be a humble source of wisdom, always yearning to learn more about your tremendous love for us. May all who enter Immaculate Conception School be filled with the gift of your Holy Spirit, coming to know you in a more meaningful way. Guide us as a community that respects and welcomes everyone. May Catholic education continue to grow so that your good news can be taught to children throughout the world. In your son Jesus’s name we pray, Amen.

Tuition Reduction Options:

- A. **10%** reduction in tuition if a current/ continuing ICS family successfully recruits a new full-time K-8 family/student to enroll in school by August 31st, 2018.*
- B. **10%** reduction in tuition if you are a newly recruited/referred full-time K-8 family.
- C. **Scrip** – All families who meet their purchase obligation AND earn rebates greater than \$375 will earn 50% of the amount greater than \$375 as tuition credit for the following school year. Graduating families who meet their purchase obligation AND earn rebates greater than \$375 will be issued a check for 50% of the amount exceeding \$375 in rebate.

*The ‘A’ tuition reduction option is unlimited. For example, if a current/continuing ICS family recruits and refers two new full-time K-8 families to our school then a 20% discount would apply to their total tuition due for the 2018-2019 school year. Recruitment/Referral must be mentioned at time of registration and approval by the school principal is required.

Please Note: The per pupil cost of educating each child here at Immaculate Conception School, for the 2018-2019 school year, is projected to be \$8,400. Thus, in order to make up the difference between our tuition rates and the actual per pupil cost, each family is required to participate in both our Scrip program and our school volunteer service commitment hours obligation. Families wishing to pay the full cost of education, \$8,400 per full-time student, will be exempt from all Scrip and volunteer hours obligations.
